GET TO KNOW US

Smart, scalable storage built to help businesses grow.

Flat-Pack Container specializes in modular storage solutions for self-storage, construction, retail and commercial operations. Our goal is simple: make storage easy, profitable and efficient.

Every unit ships flat, assembles on site and can be relocated as your needs change. We serve customers across the U.S. with a strong focus on wholesale distribution and long-term partnerships.

We're not just a container provider. We're your business ally.

PERFECT FOR

Self-storage facilities

Portable storage businesses

Construction and job sites

Retail and events

Equipment rental companies

Municipal and government storage

Wholesale Pricing

Volume pricing for businesses that need durable, standardized storage across one or many locations.

Distributor Program

Build your own business around Flat-Pack units, with regional territory opportunities, marketing materials, sales support and qualified leads sent to you every week.

Flexible Financing

Through our financing partners you can finance your units plus directly related project costs, including shipping and installation when applicable.

Planning a self-storage facility? Send us your property address and we'll prepare a complimentary custom layout.

Joins office units into a larger space.

B-Type Roof

Alternative roof option.

— HOW IT WORKS

FROM ORDER TO SITE

A simple process, from your first call to delivery.

01 Call or email us

Talk with our sales team at sales@flatpackcontainer.co or +1 (307) 461-9151.

02 Build your order

Choose sizes, colors, options and accessories. We prepare your quote.

03 Manufacturing

Typically 2 to 6 weeks after your order is placed. We keep you updated.

04 Door-to-door shipping

Typically 2 to 6 weeks after manufacturing is complete.

05 Delivery and set-up

Receive the shipment, unload and assemble on site. No specialized construction needed.

Shipped flat. Built on site.

Units travel as compact flat packs, so more units fit in every shipment. Once on site, they assemble into full-size, weather-resistant units that can be relocated later.

FINANCING

Preserve your cash flow. Finance your units plus directly related costs such as shipping and installation, when applicable.

FREE FACILITY LAYOUT

Opening or expanding a self-storage site? Send us the property address and we'll design a custom layout and unit mix.
